9. Similar to the above, Mediquik is only providing a platform for communication with DP and does not provide any pick-up and delivery services or Task completion services with respect to the Orders placed by Merchants/Buyers on the Platform as it is merely facilitating Delivery Services by connecting the Merchants/Buyers with the DP through the Platform. In case of complaints by the Merchants/Buyers for deficiency or lapse in the delivery services or Task completion services provided by DP, Mediquik shall notify the same to the DP and also assist Merchants/Buyers to the best of its abilities to enable satisfactory resolution of the complaint.
